Dear Gottlieb:

Writing first of all to enclose a copy of a letter I am sending Leuchner at this time.

I am sorry neither of us will be at the game in Chicago. I hope things will be handled half way right. I gave Abe a statement of money due from the clubs to the end of the season. I also included fines from this year and last. I also asked him to try and get 5% for the treas. There is only about \$700.00 in it now.

I think I told you before I have to keep several men on salary until Sept. 30th. Also in view of the bad weather we have had, I would not mind being able to work a little longer myself if it will mean anything. I wish you would let me know if you have given any thought to September games. If you have is there anything we would or could be included in. I realize there are more immediate problems, but some thought should be given to these dates also. If I do not hear from Kennedy by tomorrow I will call him about Labor Day night.

I hope Leuschner will work with us on the August 6th date. I would much prefer playing in Wilmington. Will be looking to hear from you.

Very Truly Yours
